RE: Pardon Application of John Nystrom
P269763

Dear President Trump,

I write you today regarding the pardon application for my constituent, John Nystrom. In April 2018, John filed his application for a pardon with the Office of the Pardon Attorney. It is my understanding that his pardon petition was accepted and that he has successfully completed his Federal Bureau of Investigation background interviews.

As someone who can personally speak to John's character, I am in full support of him receiving a pardon and I urge you to grant his application. John is well respected in his community and deserving of a grant of executive clemency.

Thank you for your consideration of this matter.

Sincerely,
